### **SystemCare expands to service Sydney, NS**

Dartmouth, NS – June 7, 2006 — Bernie Dunlap, President and Dan Murray, Vice-President of the SystemCare Group of companies, are pleased to welcome Wendell Connors and Blaise MacLean to the SystemCare team effective April 3, 2006 with the opening of SystemCare – Sydney (full service cleaning & restoration services) and SystemCare Environmental – CB (mould and oil spill remediation services) in expanding their Nova Scotia network of franchisees with systems that work and people who care!

Blaise joins SystemCare – Sydney as a co-owner after spending over 10 years managing another cleaning & restoration company. Blaise brings a wealth of experience and he and several of their staff are fully trained on IICRC guidelines for water damage restoration and offer service 24/7

Wendell has owned and operated Wendell Connors Contracting Ltd. for over 23 years and looks forward to servicing his new and past customers with the expanded services they now offer through SystemCare.

Wendell & Blaise's 4,000 s/f shop has heated storage along with ample room to process contents, an Ozone room, cleaning processing area and carpentry shop. They have a full service restoration shop, fully equipped to serve you.

They have an extensive stock of Air Movers, Hardwood floor drying system, professional quality dehumidifiers and other equipment required for a full service, one-stop restoration contractor.

SystemCare is a Nova Scotia based franchisor with 12 cleaning & restoration offices along with 2 environmental offices serving the needs of property owners, both personal and business, who suffer a loss from wind, water or fire.

When disasters happen we can help with complete, one-stop, disaster restoration services. For more information call 1-800-335-CARE (2273) or [www.SystemCare.ca](http://www.SystemCare.ca)
