SystemCare- Sydney basically serves the Cape Breton Regional Municipality (CBRM) for Cleaning & Restoration services and all of Cape Breton for Environmental Services.

Wendell & Blaise’s 4,000 s/f full service restoration shop is completely equipped for restoration work with heated storage units, an Ozone room, cleaning processing area and a carpentry shop.

They have an extensive stock of Air Movers, Hardwood floor drying systems, professional quality dehumidifiers and other equipment that is required and expected for a full service, one-stop restoration contractor.

Wendell Connors

Blaise MacLean

Wendell, Blaise and several of their staff have these IICRC courses:

- Water Damage Restoration (WRT)
- Fire & Smoke Restoration (SRT)
- Odor Control (OCT)
- Health and Safety Technician (HST)
- Applied Structural Drying (ASD)
- Applied Microbial Remediation Technician (AMRT)

They have also successfully completed numerous other courses, such as:

- Xactimate Estimating
- St. John’s Ambulance First Aid
- Various WCB Safety Courses & WHMIS

Wendell & Blaise are dual franchise owners, also owning and operating SystemCare Environmental - CB providing 24/7 specialized remediation services for all of Cape Breton.
